Dear Dr. Fennell:

Thank you for the accommodation made to the time of the first community session held Friday, thereby allowing me to attend. I hope the other sessions went well. At the community meeting, you requested a copy of the Final Ecological Risk Assessment prepared by the U.S. Environmental Protection Agency (EPA). Please find a copy of the assessment enclosed with this letter.

Regarding the toxicity assessment project you have been working on, if possible, I would appreciate a copy of your report when it is completed.

If you have any questions, please feel free to call me at (404) 562-8938 or email me at Hardegree.wes@epa.gov.

Sincerely,
